### Terms and Conditions of Use

Except as permitted by the applicable copyright law, you may not reproduce or make this material available to any third party without the prior written permission from the copyright holder(s). Copyright law allows the following uses of this material without prior permission:

- you may download, save and print a copy of this material for your personal use only;
- you may share the EUR portal link to this material.

In case the material is published with an open access license (e.g. a Creative Commons (CC) license), other uses may be allowed. Please check the terms and conditions of the specific license.

### Take-down policy

If you believe that this material infringes your copyright and/or any other intellectual property rights, you may request its removal by contacting us at the following email address: [openaccess.library@eur.nl](mailto:openaccess.library@eur.nl). Please provide us with all the relevant information, including the reasons why you believe any of your rights have been infringed. In case of a legitimate complaint, we will make the material inaccessible and/or remove it from the website.

## **Chapter II**

Combined TCRG and TCRA TREC analysis reveals increased peripheral T-lymphocyte but constant intrathymic proliferative history upon ageing.

Mol Immunol. 2013 Mar;53(3):302-12. doi: 10.1016/j.molimm.2012.08.019. Epub 2012 Sep 19.

<http://www.ncbi.nlm.nih.gov/pubmed/23000520>

## **Chapter III**

Thyroid stimulating hormone acts as a T-cell developmental factor in mice and humans

Under review

## **Chapter IV**

The peripheral blood compartment in patients with Graves' disease: activated T lymphocytes and increased transitional and pre-naive mature B lymphocytes.

Clin Exp Immunol. 2013 Nov;174(2):256-64. doi: 10.1111/cei.12183.

<http://www.ncbi.nlm.nih.gov/pubmed/23901889>

## **Chapter V**

Morbidly obese human subjects have increased peripheral blood CD4+ T cells with skewing toward a Treg- and Th2-dominated phenotype.

Diabetes. 2012 Feb;61(2):401-8. doi: 10.2337/db11-1065. Epub 2012 Jan 6.
