Political Geography

## Corrigendum

## Corrigendum to “Between improvement and sacrifice: Othering and the (bio)political ecology of climate change” [Political Geography 92 (2022) 102512]

Diego Andreucci<sup>a,\*</sup>, Christos Zografos<sup>b</sup><sup>a</sup> International Institute of Social Studies, Erasmus University Rotterdam, Kortenaerkade 12, 2518 AX, The Hague, the Netherlands<sup>b</sup> Department of Political and Social Sciences, Pompeu Fabra University, Ramon Trias Fargas, 25-27, 08005, Barcelona, Spain

The authors regret that a funding acknowledgement was omitted in the original article. The Acknowledgments section is restated in full below:

**Acknowledgements**

Diego Andreucci's research for this article was funded through a Juan de la Cierva Formación grant of the Spanish Ministry of Science and Innovation; and a postdoctoral fellowship by the International Institute of Social Studies, Erasmus University Rotterdam, The Netherlands, which was co-financed by the Dutch Research Council

(NWO), as part of its support for the Prince Claus Chair 2020–2022 (grant no. W 02.24.111).

Christos Zografos received funding from the Ramon y Cajal programme of the Spanish Ministry of Science and Innovation.

We wish to thank the editor and two anonymous reviewers—as well as Ethemcan Turhan, Marta Camps Calvet and Marien González Hidalgo—for their helpful comments on earlier versions of this article. All mistakes and omissions remain our own.
